

[IMPERIUM ROMANUM](#) is the biggest Polish / English website about history of ancient Rome. It has strong position in Google and for topics and keywords connected with ancient Rome, website is almost the first one in Internet. The website contains over 9000 articles and is visited monthly by over 140.000 unique users.

- On demand, I can send the report from Google Analytics, verifying high statistics and popularity of website.

IMPERIUM ROMANUM exists on social network:

- **Facebook's fanpage** has **over 19.000** likes;
- on **Twitter** there are over 1000 followers;
- **Reddit** profile is observed by over 450 users;
- **Instagram** profile is observed by over 1100 users;
- **Quora** profile is observed by over 26.000 users.

What's more, the website is active via **OneSignal**, which is linked with 12.000 viewers. The site is visited by readers of various age; however, the biggest part are rather young people – up to 34 years old. The ratio of women to men is slightly in favour of the fairer sex.

Currently, IMPERIUM ROMANUM has the most information among websites dealing with this topic and is the largest Polish page about ancient Rome. Additionally, website is developing and expanding in English version. In the field of science it occupies one of the highest positions on the Internet. Often articles are in front of the Wikipedia results and are treated as very valuable content.

I especially encourage publishers to promote new books on ancient Rome and the world of antiquity. Due to the large base of recipients and the popularity of the website, various forms of cooperation are available.
